FROM THE DESK OF THE PRINCIPAL

Tim Krupicka, Principal
Northwest High School

The 2020-21 school year is rapidly drawing to a close and I look back on this year with many fond memories. As we have dealt with a variety of issues related to the pandemic, we have done it as a team and done it successfully. I appreciate the help and support given to me by the faculty and staff of Northwest High School during a year unlike any other. I especially enjoyed the opportunity to spend this past school year working with such great administrators and our administrative assistants at Northwest. Our faculty and staff all have done so much to add to the culture of the building and have dedicated their services to helping the students at Northwest High School.

Our faculty and staff have shown a dedication to the success of all of our students and have worked many hours outside of the school day to help students realize their dreams. I appreciate the support of parents who play such an integral role in guiding their students through the rigors, achievements, and hardships of high school. Lastly, I want to thank the students of Northwest High School. It is through your efforts and abilities in the classroom and in activities that really make all of us proud to be a Viking. You all make it a "Great Day to be a Viking."

On behalf of the faculty and staff of Northwest High School, we congratulate the seniors on their efforts to achieve the milestone of graduation from high school. In the information that I have received from the counselors, I know that close to 65% of our graduates will be attending a two year or four year college or university; for other graduates it will be entering the world of work and the job market; while others will be entering a career in the armed forces. Whatever it is that lies ahead in your future, know that we are proud of your efforts and all that you have accomplished here at Northwest. You have our best wishes to take with you into the next phase of your life.

As the school year nears its end, please check the Northwest website for summer camps and activities or contact the activities office concerning summer schedules.

HONORS

CONVOCATION

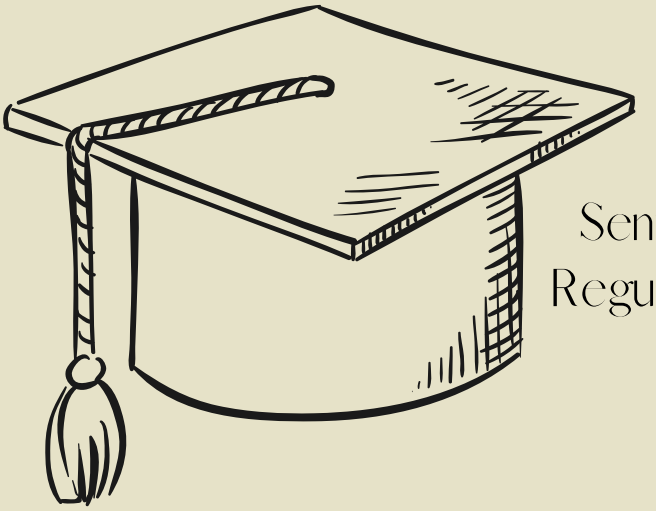
Honors Convocation will be held on Tuesday, May 11th. This ceremony celebrates the many accomplishments of our students. Students who have earned an Academic Letter, Presidential Award or are in the Top 15% will be recognized. Please note, these awards are all based on cumulative GPAs and Ranks earned by the end of the FIRST semester. Academic letters are earned by freshmen, sophomores and juniors by achieving a GPA of 93% or above, seniors must achieve a 92% or above. Presidential Awards are only given to seniors that have a GPA of 90% or above and an ACT score of 26 or above in Math or Reading. Freshman and sophomores will be recognized from 1:00-2 p.m. and will return to class after that. Juniors and seniors will be recognized from 2:15-3:30 p.m. and will be dismissed when ceremony ends. If seniors receive a scholarship from a college or other organization we encourage them to bring their letter to the counseling office (we will make a copy) or email it to us so we may also include it in our Honors Program. We ask that you get your lists to us by Wednesday, May 5th. We would also like to honor students that have signed with the MILITARY. Their military branch may not provide this information to us so we ask students to please let us know if this is in their future plans.

Northwest High School

Class of 2021

Sunday, May 16th
2:00pm

Rosencrants Gymnasium



Seniors Last Day
Wednesday, May 12
