3. Student must be enrolled in some high school on or before the eleventh school day of the current year.
4. Student is ineligible if nineteen years of age before August 1 of current school year. (Student may participate on a high school team if he/she was 15 years of age prior to August 1 of current school year.)

7. Student must have received twenty hours of credit the immediate preceding semester.
8. Once the season of a sport begins, a student shall complete only in athletic contests/meets in that sport which are scheduled by his/her school. Any other competition will render the student ineligible for a portion of, or all of, the season in that sport. The season of a sport begins with the first date of practice as permitted by NSAA rules. The fall sports season begins **August 11, 2008**, and ends with the state meets in the fall sports. The winter sports season begins **November 17, 2008**, and ends with the state meets in the winter sports. The spring sports begins **March 2, 2009**, and ends with the state meets in the spring sports.
9. A student shall not participate in sports camps or clinics during the season of a sport in which he/she is involved, either as an individual or as a member of a team.
10. A student shall not participate on an all-star team while a high school undergraduate.
11. A student entering grade nine for the first time after being promoted from grade eight of a two-year junior high, or a three-year middle school, or entering a high school for the first time after being promoted to grade ten from a three-year junior high school is eligible. After making a choice of high schools, any subsequent transfer will cause the student to be ineligible for ninety school days.
- If a student has participated on a high school team at any level as a seventh, eighth, or ninth grade student, he/she has established his/her eligibility at the high school where he/she participated. If the student elects to attend another high school upon entering ninth or tenth grade, he/she shall be ineligible for ninety school days.
12. When the parents of a student change their domicile from one school district which has a high school to another district which has a high school, the student is ineligible for ninety school days except:
 - (a) If the change in domicile by the parents occurs during a school year, the student may remain at the school he/she is attending and be eligible until the end of the school year or transfer to a high school located in the school district where the parents established their domicile and be eligible.
