

Where did you attend school in grades K-5? (419 responses)

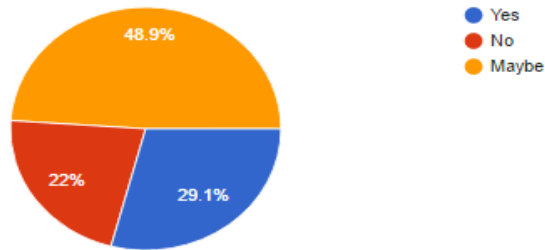

Where did you attend school in grades 6-8? (419 responses)

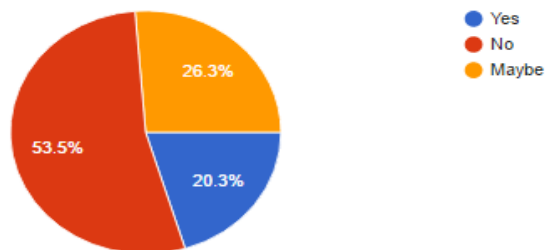

If Northwest had a middle school located next to the high school would you have attended that middle school?

(419 responses)

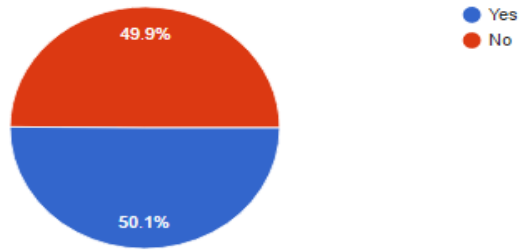

If Northwest had a middle school located somewhere outside of Grand Island (at 1-R, Cedar Hollow, Chapman, or St. Libory) would you have attended that middle school?

(419 responses)

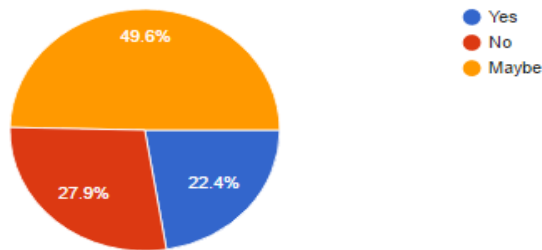

Would you have chose to attend Northwest if it were a smaller school where some of the programs (electives/athletics/activities) we have were not available?

(419 responses)

Do you feel that it would have helped you to have had a Northwest middle school where most of the students who are going to attend Northwest High school come together in 6th grade?
