If you are applying for the **Free or Reduced Lunch Program**, please wait until your application is processed and your acceptance into the program is confirmed. **YOUR FEE WILL NOT BE REIMBURSED IF YOU QUALIFY.**

ALL Northwest students must pay an Activity Fee in order to compete in certain NSAA events. Please mark all activities your student will be involved in. If your student decides to join an activity at a later time, you may pay that fee when you join. If you pay the fee and decide not to participate in the activity, your fee may be refunded. ***Please stop by the activities office to pick up your copy of the activities handbook, which must be signed and turned in before competing.***

All Juniors and Seniors are required to pay dues. ***Junior dues will go toward prom expenses and is to be paid regardless of the student's desire to attend prom.*** Senior dues will be applied to breakfast the morning of graduation practice and flowers.

Technology is an important part of classroom learning at Northwest. Students must pay a \$25 usage fee in order to take the device (chromebook) home. The fee is NOT an insurance fee. Students are responsible for damages to their Chromebook.

Students may choose to bring their own device, but that device must be approved and connected to our school's Wi-Fi by either Mr. Gibson or Mr. Potter
