Northwest Public Schools Transportation Contract

In order to better serve the needs of our students and their parents Northwest Public Schools offers transportation on a limited basis to some of our buildings. In order to run routes in a timely manner, it is important that students be at their designated stop several minutes in advance of their scheduled pickup. It is also critical that parents be at the pickup point ahead of the scheduled time so their child is supervised once they depart the bus. Parents are responsible for the supervision of their child until the student boards the bus and as soon as the child exits the school bus.

Students must exit the bus at their designated location (this location must be consistent each day). Parents must inform the driver if they want to allow their child to depart at a location other than their designated stop.

This transportation service is a privilege, and students will be expected to conduct themselves in a manner consistent with expected classroom behavior. This contract outlines the expected behaviors and consequences for inappropriate behavior. Bus drivers will report all infractions to school principals, who will administer the discipline consequences.

The rules for riding the bus are listed below. Both the student and parent must sign this contract in order to receive transportation services. The consequences for not following any of these behavior rules will generally be followed. However, administrators do have the option of applying more severe consequences whenever merited:

Elementary:

First violation	Warning by the driver (this will be the only warning)
Second violation	Loss of privilege to ride bus for five school days
Third violation	Loss of privilege to ride bus for twenty school days
Fourth violation	Loss of privilege to ride bus for ninety school days

Middle Grades 6-8:

First violation	Warning by the driver / referral to principal (will be only warning)
Second violation	Loss of privilege to ride bus for ninety school days

Transportation Expectations

1. Treat all students and the driver with respect.
2. Keep hands, feet, and objects to yourself and inside the bus.
3. No teasing, harassment, bullying, or fighting
4. Talk only with seat partner and in a quiet voice, using appropriate language.
5. Remain seated and facing forward in designated seat.
6. No food, drinks, or illegal substances on the bus.
7. Use seat belts when required.

In order to utilize transportation provided by the Northwest school district the following must be completed and returned to the student's school office.

My child will be riding the following bus route (please circle AM and/or PM):
