

Dear Northwest Educational Foundation Donor,

The Northwest Educational Foundation is proud to carry on a legacy of assistance and support for both the students and faculty in the Northwest Public Schools District. Through the generosity of Alumni like you, the Foundation can provide scholarships and funded research programs, leading-edge curriculum opportunities, support innovative classroom teaching projects, and much more.

The goal of the Northwest Educational Foundation is to develop and maintain programs that are in the best interest of Northwest Public Schools and the educational communities they serve. A donation from you will be used to initiate, strengthen and recognize:

- Academic and Vocational Programs
- Technology Education
- Scholarships and Awards
- Arts and Athletics
- Facilities and Equipment

You can easily make your donation through multiple means:

1. Complete the attached donation form and send a check directly to the Northwest Educational Foundation (address on the form).
2. You can go online and make a credit card payment directly to eFunds, <https://payments.efundsforschools.com/v3/districts/55789/> and choose the option "Pay for NW Educational Foundation" (there will be a small processing fee based on the amount of the payment).

Two years ago, the Class of 1967 put out a call "to make the way better for those who will be there for the 100th Anniversary of Northwest High School". They issued a challenge for Alumni Classes to donate a minimum of \$1,000 per class to the Northwest Educational Foundation to support and further the Foundation's important work. As of today, the Class of '67 continues to donate and has contributed over \$14,000 to be used toward a Scholarship Fund to provide academic scholarships to graduates of Northwest High School. If you think that your Graduation Class would be interested in a class challenge of its own, please contact Gian Baxter-Collins at 385-6398 for details.

The Northwest Educational Foundation thanks you in advance for your contribution toward better educational opportunities in the Northwest Public Schools. Your support and contribution are much appreciated, and your legacy is truly priceless.

Genuinely Grateful,

Gian Baxter-Collins
Executive Director- Northwest Educational Foundation
