## Student Policies

### **ATTENDANCE**

Every person residing in a school district within the state of Nebraska who has legal or actual charge or control of any child seven or more years of age and under sixteen years of age, shall cause each child to attend school regularly. This includes public, private, denominational, or parochial schools each day that such schools are open and in session except when excused by school authorities, or unless such child has graduated from high school.

### **ABSENCE / TARDINESS**

If your child will not be attending or will be arriving late to school **please call your child's school immediately**. Parents will be contacted each time an absence of a child has not been reported. Attendance will be taken on a half-day basis.

All schoolwork associated with the loss of instructional time will be made up by the student. If a student knows in advance that he/she is going to be absent from school, we recommend and in some cases may require that all school work be completed in advance of being absent from school.

Students will be allowed two days of school time for each day that they were absent to make up work. Homework assigned prior to an absence is expected to be completed on time or when a student returns to school. Students who miss five consecutive days of school due to illness must secure a doctor's written authorization before returning to school. If a student has excessive absences, school officials will make the final determination as to student retention or promotion. Serious illnesses that result in extended periods of absence should be reported to school. Students who are infected with a contagious disease or health problems (chickenpox, pink eye, strep throat, etc.) may be required to furnish a doctor's written authorization to return to school.

Repeated tardiness may result in students making time up after school or may receive other disciplinary action. *Support agencies may be contacted if excessive tardiness occurs. After five tardies, parents will be sent a letter of concern and eight tardies will equate to a half day absence, with sixteen tardies resulting in a full-day absence.*

If you want your child to stay in the building for recess because of illness or not participate in P.E. class, we will certainly honor your written or telephone request for this accommodation.

**At 20 or more absences, or the hourly equivalent, during any school year, Northwest Public Schools shall file a report with the county attorney, as required by law, indicating the number of days the student has been absent. A letter will also be sent home informing the student and his/her parents/guardians of the report being filed with the county attorney. When reporting excessive absences, the attendance officer shall provide the county attorney all pertinent information regarding the student's absences including, but not limited to, the student's number of absences due to documented illnesses or medical conditions which make attendance impossible or impractical and excused and unexcused absence totals.**

The school day will be divided into two sessions:

AM session: 8 - 11:30; PM session: 11:30 to 3:15.

Wednesday AM session: 8-11; Wednesday PM session: 11-2

If a student isn't at school for 2 hours during an AM or PM session, they are considered absent. Otherwise it is considered tardy.

In order for a student to participate in a school-sponsored activity, the student must be present in school for at least a half a day or have administrative approval.

### **AMERICANS WITH DISABILITIES ACT**

The Northwest Public Schools are in full compliance with A.D.A. standards. We will not discriminate on the basis of disability in admission to, access to, or operation of its programs, services or activities. Individuals who need auxiliary aids for effective communication/participation in programs and or to access services of the Northwest System are invited to make their needs and preferences known. Questions, concerns, complaints or requests regarding the American with Disabilities Act should be directed to the Principal or Superintendent of Schools.

### **ARRIVAL TIMES**

Parents are encouraged not to send their child/children to school too early in the morning. The school does not provide playground supervision before school starts in the morning. Students are encouraged to enter the school between 7:45 a.m. and 7:55 a.m. School starts at 8:00 a.m. Students entering the building or classrooms after 8:00 a.m. will be considered tardy. Students will be allowed early entry to the school under certain circumstances.

### **ASBESTOS NOTICE**

The Northwest Schools attendance centers have been inspected for the presence of asbestos. Licensed accredited inspectors perform the inspections. Complete asbestos inspection reports and management plans may be reviewed in the school office.

### **ATHLETICS**

Seventh and eighth grade students are eligible to participate in athletics. At the Middle School level we offer volleyball, cross country, and football in the fall. In the winter we offer wrestling, girls and boys basketball, and cheerleading for 8th graders. Soccer and track are offered in the spring. Practice and game locations are determined yearly. Students who participate in athletic programs need a physical examination that is on file prior to practicing.

### **BAND**

Students in 5th through 8th grade may participate in Band. Our band instructor will visit with each of these grade levels at the beginning of the school year.

### **BULLYING**

Bullying by a student may result in disciplinary action up to and including suspension and/or expulsion. Students who are the victim of bullying or harassment, or who observe such occurrences, are asked to promptly report such actions to teachers, counselors and or administrators.

### **CHANGE OF ADDRESS, PHONE NUMBER OR EMPLOYMENT**

If your address, phone number or place of employment changes at any time during the school year, please notify the office immediately. It is important to keep student records up to date so we can make sure parents receive information mailed from school, and in case of an emergency, we are able to notify you without delay.

### **CHILD ABUSE / NEGLECT / EXCESSIVE ABSENTEEISM**

All adults are bound by State Law to report suspected cases of child abuse, child neglect and or excessive

absenteeism to the appropriate authorities.

### **CLASS PARTIES**

Class parties, and other enrichment activities are *privileges that students earn* by being responsible for their school work and citizenship. Parties are scheduled three times a year - a "Fall" party in October, a "Winter Holiday" party in December, and a "Valentines Day" party in February. Students who are behind in their studies or are being disciplined because of inappropriate behavior may be excluded from enrichment activities.

### **CLASSROOM TREATS**

If you wish to provide treats the following suggestions may help: individual packaged items, bakery items from a local grocery store, pre-packaged crackers, non-food items, etc. Please be aware and considerate of student food allergies such as those towards peanuts and tree nuts. We ask you to pre-arrange treats with the classroom teacher so alternative treats may be offered to those unable to participate. It shall be the policy of Northwest Public Schools to provide age appropriate, developmentally based drug and alcohol education and prevention programs for all students of the school. It shall be the policy of the district to require instruction at each grade level concerning the adverse effects resulting from the use of illicit drugs and alcohol. Such instruction shall be designed by affected classroom teachers or as otherwise directed by the board to be appropriate to the age of the student exposed to such instruction. The education and prevention program includes information on the legal, social, and health consequences of alcohol and other drug use. The program includes teaching students effective techniques for resisting peer pressure to use alcohol and other drugs.

The District takes the position that the use of illicit drugs and the unlawful possession and use of alcohol is illegal and harmful.   - First Offense will result in the student being relieved of the device.
  - Second Offense will result in a parent contact to pick the device up after school and a 30-minute detention for the student.
  - Third Offense will result in a parent contact to pick up the device up after school and the student will serve a one-hour detention.
  - Further improper usage could result in suspension or expulsion.

## **CHROMEBOOKS**

There are two things that need to be done before a chromebook is given out to your child. #1 The **(user loan agreement)** that needs to be filled out and signed by both the parent/guardian and student. #2 There is a \$25.00 fee which must be paid by all 6-8 students each year. If damage occurs there will be a \$25.00 repair cost, including lost or damaged chargers per incident. If you qualify for free / reduced lunches, you may fill out the waiver information and then this fee will be waived. The paperwork and fee can be taken care of any time before school starts, so feel free to stop by your child's school and take care of these two things. If you would like to make an on-line payment to Northwest you can use the following website: <https://eps.mypbanking.com/cgi-bin/efs/login.pl?access=55789>

## **Social Media Policy**

- Social networking sites and resources such as, but not limited to, Facebook, YouTube, Twitter, Instagram, etc. can be useful tools in the educational environment. Students and staff may make use of social networking tools in or outside of the classroom, provided certain guidelines are followed:
  - Follow the handbook etiquette guidelines and the school's code of conduct and Responsible Use Agreement when posting online. What is inappropriate in the classroom is also inappropriate digitally.
  - Be aware of intellectual property and guidelines and permissions when using pictures or other online content. It is a violation of copyright law to copy words or images without proper attribution or permission
  - If you encounter inappropriate material, feel threatened or harassed, or find material that violates the school's code of conduct, notify a teacher or administrator immediately (during school hours).
  - All student online activity must be in compliance with the district's Responsible Use Agreement.
  - Student or staff online activity which interferes with or hinders the educational process is subject to school policies, even if no school accounts or resources are used.
- Northwest Public Schools strives to teach and model positive online activity and responsible digital citizenship.

This includes:

  - Stressing the importance to staff and students of building a positive online presence.
  - Integrating digital citizenship instruction and modeling across the curriculum.
  - Using social media to promote learning. Consequences for Violation. Violations of these rules may result in disciplinary action, as noted in the Code of Conduct section within the Activities Handbook.

## **EMERGENCY DRILLS**

To ensure the safety of our students and staff, periodic drills will be conducted for the purpose of educating everyone in the event of an unsafe situation. **Fire Drills:** Students will be escorted to pre-determined locations outside of the building. **Tornado Drills:** Students will be escorted to areas pre-determined to be the safest locations within the building. **Lockdown Drills:** Student and staff safety is always our priority. We will follow our protocols during these drills.

### **EXTRACURRICULAR ACTIVITIES (PARTICIPATION / ELIGIBILITY)**

Participation in extracurricular activities affords students opportunities for personal growth and development that may not be experienced in a regular classroom setting. *Students must demonstrate their ability to keep up with their regular school work before taking on extra activities which could pose a time management problem.* Students are required to meet all regular classroom responsibilities when participating in extracurricular activities.

Guidelines for extracurricular activities have been established to promote responsible academic achievement and appropriate school citizenship: **Extracurricular activities include, but are not limited to participation in: cross country, volleyball, football, basketball, wrestling, soccer, cheerleading (8th grade only), track, and non-required clinics.**

1. Students who participate in extracurricular activities are ambassadors of both their school and community. Participants should dress appropriately and grooming should be neat and clean.
2. Students should abide by school policies as stated in this handbook when attending “home” and “away” school functions. Student’s citizenship should serve as an appropriate model for younger students.
3. Each participant should be familiar with the rules appropriate for the activity. Additional guidelines set down by coaches, sponsors, activity director, Ina etc. are to be followed by all participants.
4. Depending on the activity - proof of physical examination, insurance waiver, parent permission slips, deposit fee, etc. may be required before a student is allowed to participate.
5. Students must attend school at least half the day of a scheduled extracurricular activity to be able to participate in that day’s practice, scrimmage, game, tournament, and/or contest involving other schools. The principal may make exceptions to this rule.
6. Students may become ineligible to participate in extracurricular activities because of classroom behavior and/or failing to abide by school policies as stated in this handbook. Students who become ineligible due to continual discipline problems will not be eligible to practice, play in games and/or participate in any activity involving other schools. The principal will determine the length of time a student loses his/her eligibility due to discipline problems.
7. Teacher requests for a student to stay after school to make up academic work will take precedence over extracurricular practice and/or activities.
8. Students may not attend practice or participate in any extracurricular activity on the day or days a suspension is being served.
9. Students may become ineligible to compete in extracurricular activities due to their academic performance. This means students may participate in practices but may not compete in games, scrimmages, tournaments and/or contests while they are ineligible.

Students may become ineligible for any of the following academic reasons:

1. Grade average of “F” in any subject area. Teachers at their discretion may use a meritorious ability grading system. A meritorious grade is based on student ability, attitude, effort and work habits.
2. Incomplete class assignments.
3. Turning homework in late.

Upon losing eligibility, the following steps will be taken:

1. The student and parents will be notified that the student has until the following Monday to correct the academic violation(s).
2. If violation is resolved by the following Monday the student is eligible.
3. If the violation is not resolved by following Monday the student becomes ineligible for competition/activities. Practice decisions and attendance at games/activities will be made by teachers, coaches and administration.

### **FIELD TRIPS / ASSEMBLY PROGRAMS or ENRICHMENT ACTIVITIES**

Field trips, special projects and other enrichment activities are *privileges that students earn* by being responsible for their school work and citizenship. ***No other children are allowed to accompany a parent or guardian on a field trip. Some field trips may not allow for parental participation.*** Students who are behind in their studies or are being disciplined because of inappropriate behavior may be excluded from enrichment activities.

## **FIREARMS AND WEAPONS**

All weapons are prohibited from school property. Individuals are forbidden to possess, handle, transmit or use any dangerous instrument in school, on school grounds or at school functions that is a weapon, which in appearance is intended to stimulate that of a weapon, or is determined to be illegal or dangerous. This ban shall include, but is not limited to, the following items: firearms or part of firearms, starter pistols, BB, pellet, or air guns, crossbows, knives (including pocket knives), knuckles, lead pipes, laser pointers, chuck sticks, throwing darts, darts, blackjack, clubs of any kind, chains, fireworks, dangerous chemicals, unauthorized tools (razors, x-acto knives, etc.), any explosive device or ammunition, or any item that is intended to be used as a weapon or endangers the health, safety and or well being of other people.

No weapons shall be brought onto or into school property without prior permission from the principal. This ban includes antiques, souvenirs, historical and other such artifacts, including property or dramatic productions, except those needed by duly sworn officer of the law.

Any student found to have brought a firearm onto school property shall be expelled for one year except when the chief administering officer may modify such expulsion on a case by case basis. Violation of the District's Firearms and Weapons Policy in any other manner shall result in a suspension from school, which may be extended to expulsion from school after a legal hearing. Parents should monitor what their child brings to school. Students are discouraged from bringing toy guns to school due to the fact that many guns simulate (look like) real weapons. Administrative and teaching personnel are statutorily authorized, without a warrant, to confiscate any firearm and dangerous object possessed in violation of this policy. By statute, any firearm which is confiscated by school personnel shall be delivered to a peace officer as soon as possible. Such firearms are subject to being destroyed by law enforcement officials. All school personnel are required to report any violation of this policy to the principal.

Violation by non-school persons may result in a complaint being filed with local or county law enforcement officials as current Nebraska State Statute allows for the confiscation of firearms on school property, under most circumstances. Further, nothing in this policy shall be construed to require school action when a firearm is lawfully possessed by a person and the firearm is contained within a private vehicle operated by a non-student adult, which is not loaded and is encased or is in a locked firearm rack that is in a motor vehicle. Definition of encased - the term encased shall mean enclosed in a case that is expressly made for the purpose of containing a firearm and that is completely zipped, snapped, buckled, tied or otherwise fastened with no part of the firearm exposed.

## **GIFTS**

Gifts to school personnel, including teachers, are not encouraged.

## **GRIEVANCE PROCEDURE**

Parents, patrons and/or students who have concerns regarding the school environment are encouraged to communicate their concerns directly to the person or persons most directly involved. When a concern cannot be resolved informally, parents and/or patrons may file formal written complaints by contacting the principal. The principal will give persons filing formal written complaints a copy of the school's grievance procedure and necessary reporting forms. All formal written complaints will be handled according to school board policy.

## **GUIDANCE**

Guidance services are available for students. These services include assistance with educational planning, interpretation of test scores, study helps, and help with home, school, or social concerns.

## **GUM AND CANDY**

Gum or candy will not be allowed in school except on special occasions approved by the teacher or principal.

## **GYM BAGS AND / OR BACKPACKS**

Students are to keep gym bags and backpacks in their lockers during the day. Students may access their lockers between class periods to retrieve materials needed for their next class period.

## **HEALTH RELATED ISSUES**

### **Asthma Protocol**

Nebraska State Law regulation requires that our school (or early childhood education program ) be prepared to implement an emergency treatment plan, called a protocol, anytime a student or staff member experiences a life threatening asthma attack or systemic allergic reaction (anaphylaxis).

The protocol requires that 911 is called first. After that call is made, an EpiPen injection will be given and then Albuterol is provided through a nebulizer. An EpiPen is a small pre-filled, automatic injection device that resembles a highlighter. It is used to deliver Epinephrine. Epinephrine is a medication that is used to bring quick relief by improving breathing and lung function. Albuterol is another medication that is used to bring breathing relief (commonly found in metered-dose inhalers). The nebulizer is a machine that mixes the Albuterol with air to provide a fine mist for breathing in through a mask or mouthpiece.

The protocol steps are designed to provide quick, effective care in order to prevent death from occurring due to a severe asthma attack or anaphylaxis. Staff members have been trained to recognize signs and symptoms of a life-threatening “breathing” emergency and to properly administer the medications. The protocol is a standing medical order that has been signed by local doctors.

If you know that your student has asthma or a known allergy, it is critically important that you communicate this information to our school staff. For each student with a known allergic condition or asthma, you must provide the school with (1) written medical documentation, (2) instructions (action plan), and (3) medications as directed by a physician. In the event that your student experiences a life threatening asthma attack or systemic allergic reaction, we will defer to the specific documents and medication that you have provided. If you do not have medical documentation and instructions on file with the school for your student we will defer to the regulatory protocol described above. If, for whatever reason, you do not want your student to receive the life-saving emergency treatment under the protocol, you must file your written objection with the school.

If you have questions or concerns about the protocol or your students’ health issues, please contact the school.

### **Illness During School Hours**

In case of illness or injury during school hours, the school will notify parents or persons listed in the emergency file. Telephone numbers for work, relatives, baby-sitters, neighbors, etc. should be listed on the emergency file.

### **Immunizations**

Nebraska State Law requires all students (except those with appropriate medical or religious waivers) to be immunized for Measles, Rubella, Mumps, Poliomyelitis, Diphtheria, Tetanus, Pertussis, Varicella and Hepatitis B prior to admission to school. State Law also states that immunizations shall not be required for a student enrolling in any school in this state if he or she submits to the following:

A statement signed by a physician, stating that in the physician’s opinion, the immunization required would be injurious to the health and well being of the student or any member of the student’s family.

An affidavit signed by the student or if he or she is a minor, by a legally authorized representative of the student, stating that the immunization conflicts with the tenets and practice of a recognized religious denomination of which the student is an adherent member or that immunization conflicts with the personal and sincerely followed religious beliefs of the student.

### **ALL STUDENTS ENTERING SCHOOL MUST PROVIDE PROOF OF IMMUNIZATION OR MEDICAL / RELIGIOUS WAIVERS PRIOR TO BEING ADMITTED.**

Religious waiver forms are available in the school office. Immunizations can be obtained through the Merrick County Health Department (308) 946-3103, the Hall County Health Department (308) 385-5175 or your family physician.

### **Medication**

Students are prohibited from having prescription or over the counter medications in their possession in school. Northwest Public Schools requires that all medications, prescriptions, and over the counter drugs that students bring to school be taken to and kept in the school nurse’s

office. Any medication brought to school by students must be in its original container. Students will be able to access their medication through designated school personnel. Northwest Public Schools ask that students and parents cooperate in abiding by the school's medication policy for the safety and well being of the entire student body. A violation of this policy may result in disciplinary action up to expulsion from school.

### **Physical Examinations**

Nebraska State Law requires all Kindergarten students to receive both a physical and vision examination and all seventh grade students must have a physical exam.. Parents/guardians who object to this physical examination requirement may sign a waiver.

### **Control of Communicable Disease**

The policies for the control of communicable disease are for the protection of the infected student as well as the protection of other students and staff.

- A. Students with the following will be sent home.
  - a. Temperature at/over 100 degrees.
  - b. Vomiting or diarrhea.
  - c. Sore throat accompanied by elevated temperature and/or visible pus.
  - d. Earache accompanied by discharge or elevated temperature.
  - e. If the child is feeling uncomfortable and unwell to the extent that the child is unable to accomplish normal school activities.
  - f. Widespread rash.
- B. Students with the following diseases need a physician's written permission to return to school: Hepatitis, Rheumatic Fever, Mononucleosis and HIV.
- C. Students with the following diseases must have treatment for 24 hours before returning to school: Strep Throat, Pink Eye, Impetigo, Ringworm and Scabies.
- D. Students with Chicken Pox may return to school 7 days after onset. They must be scabbed over and have no infected pox. They should be inspected by a school official.
- E. Students with Fifth's Disease will be excluded from school only if they have an elevated temperature or are experiencing malaise.
- F. The physician, parents of the student, school nurse and school administration will meet to determine the most appropriate educational setting for the student/staff with HIV or AIDS.
- G. It is the responsibility of school staff to report their diagnosis of a communicable disease to the district. In addition, failure to release information can result in automatic dismissal. Anytime a communicable disease is reported at school, parent/guardian will be notified.
- H. Other communicable diseases will be handled as recommended by the Nebraska Department of Health.
- I. Students with pediculosis (head lice): nits are not a cause for school exclusion. However, parents of students with live lice are to be notified and treated prior to return to school. Students will be evaluated individually by the school nurse or school personnel regarding head lice.

### **Policy Concerning AIDS:**

Guidelines for Persons with AIDS. It is the goal of the school for all infected persons to be able to attend school and participate in an unrestricted setting so long as such participation would be reasonable. However, exceptions will be made for preschool age children and persons with neurological impairments resulting in the lack of control over body secretions, displays of behavior such as biting, or person having oozing lesions.

For the protection of the AIDS infected child and the other children in the district, it is the responsibility of the parent/guardian to inform the district of the positive HIV diagnosis of a district student.

These guidelines apply to all persons known to be infected with the AIDS (Acquired Immune Deficiency Syndrome) virus. This includes persons with AIDS Related Complex (ARC) or Human Immunodeficiency Virus (HIV) infection.

These persons shall be referred to as AIDS infected persons in the following guidelines:

1. A team approach should be used to determine the most appropriate educational

setting for said persons. Team members should include said person's physician, said person's parent/guardian if a minor child, public health personnel, school district's medical advisor, school health personnel, school administration, school board representatives, faculty, and any other staff that would be affected by the decisions.

2. This team will make the following decisions:
  - A. Regarding attendance: The administrator of each school can recommend temporary exclusion until the team has met. The school will provide homebound instruction as appropriate.
  - B. Restriction of school environment.
  - C. The extent of interaction of others in the school setting.
  - D. Use of preventative measures needed to protect both the AIDS infected person and/or school personnel/students.
  - E. Who will be the spokesperson for them.
3. AIDS infected persons who are attending school and participating in school activities shall be required to report to a school officer on a regular basis as determined by the school district's medical advisor. This is to protect the AIDS infected child from other infections because of his/her decreased immune status.
4. Instruction should be provided for those coming in contact with the AIDS infected person. This will include thorough hand washing after exposure to blood and body fluids and before caring for another person. Gloves should be worn if the staff member has open lesions. Any open lesions on the AIDS infected person should be covered. Soiled surfaces should be promptly cleaned with disinfectants, such as household bleach (diluted one part bleach to ten parts water). Disposable towels and tissues should be used whenever possible, and mops should be rinsed in the disinfectant.
5. The AIDS infected person's right to privacy should be preserved by staff member involved in the care and education of said person. The school district will develop routine procedures for staff contact with AIDS infected persons, confidentiality of records, and information released to parents, students, and school employees.
6. Efforts will be made to inform parents, students, school personnel, and district patrons about AIDS and its transmission.

### **HEALTH SERVICES**

Health services are provided to students at school by Northwest Public Schools elementary school nurse.

### **HONOR ROLL**

Students in grades 6-8 will be awarded academic honor roll recognition if they receive a grade of 'B' or better in every subject. (Including Band, P.E., Art, Careers and Technology)

### **LEAVING SCHOOL BEFORE DISMISSAL TIME**

Any student leaving school before dismissal time must notify the office before they leave the building. This is true even if they are going to the doctor, etc. We are responsible for the student, and thus we need to have a record of his attendance. This is very important in cases of emergency or disaster.

### **LOST ITEMS**

Each school building has a lost and found. **Please label all coats, jackets, hoodies, etc.** Throughout the year the lost and found box is reorganized and unclaimed items are donated to a local organization.

### **LUNCH PROGRAM**

All schools operate a hot lunch program. Services are available to all children without regard to race, sex, color, handicap, age or national origin. Meal prices are set annually. Meal prices are approved by the Board of Education and Federal Government. Checks should be made payable to Northwest Public Schools. ***All meals must be prepaid.*** Parents whose children have special dietary needs should contact the school.

Free and reduced price meals are available through the Federal School Hot Lunch Program for children whose

parents qualify according to household income guidelines. Guidelines and application forms are available in the school office. Applications for free or reduced price meals may be made any time during the school year. Applicants for free and reduced price meals are required to document their household income.

### **Non-Discrimination Statement:**

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. ### **POP / FAST FOOD**

***Pop/soda is not allowed in the lunchroom during the noon lunch period. Please note that our lunch program also prohibits the bringing in of outside fast food during the lunch periods (McDonalds, Burger King, Pizza Hut, Taco Bell, etc.)*** Parents wishing to eat with their child must notify the school in advance. Parents will be required to pay the adult lunch price.

### **LUNCHROOM EXPECTATIONS**

1. Stand in the lunch line quietly and keep your hands to yourself.
2. Talk quietly to the person next to you.
3. Stay in your own space. Keep your hands to yourself and your feet under your table.
4. Raise your hand to receive permission to leave the table.
5. Leave the place at and around you neat when you finish.
6. Do not throw or play around with your food.
7. Respect the lunchroom supervisors and cooks.

Students are prohibited from leaving the school grounds during their noon lunch periods unless they have written permission from their parents to walk home to their own homes for lunch or unless they are being picked up by their own parents. For safety reasons, parents who want their child/children to walk home for lunch need to call the school on the days their child/children will be walking home for lunch. Parents who wish to give their child/children unlimited permission to go home for lunch may do so by signing a "home lunch" permission slip.

The school disclaims any responsibility and or liability for accidents and or injuries that occur to students while they are off school grounds during noon lunch periods. The school also disclaims responsibility for ensuring students go to their own homes when they leave school during lunch periods.

### **MILK PROGRAM**

A milk break program is offered in kindergarten. Participating students will be charged 50¢ per carton of milk, which will be deducted from their lunch account. Participation in the program is voluntary.

**PAMPHLETS / BULLETINS / POSTERS**

It shall be the policy that no religious, political or controversial materials shall be distributed through the school system or posted on school premises. Any deviation from this policy must be approved by the District Office.

**PARENT RESPONSIBILITY - AFTER SCHOOL**

Staff supervision of students ends at 3:35 p.m. (2:25 pm on Wednesday’s) and certificated staff may leave the school at 3:45 pm. Therefore, parents are asked to make arrangements to pick up children by 3:35 p.m. (2:25 pm on Wednesday’s). Students who are not picked up by 3:35 pm (2:25 pm on Wednesday’s) will be expected to sit on the floor in the front foyer until they are picked up.

Unless a student is involved in a school sponsored after school activity, no student is authorized to remain on school premises after 3:45 pm (2:30 pm on Wednesdays). Violations of this policy will be dealt with as follows:

- A. First occurrence per quarter - Parents will be notified by mail of the violation of this policy.
- B. Second offense per quarter - Parents will be notified by certified mail, return receipt requested with an admonition that a further occurrence in the quarter would result in notification being made to the County Sheriff, County Attorney, Department of School Services, or any other appropriate agency.
- C. Third offense per quarter - Notification that a third offense has occurred will be made by certified mail, return receipt requested, to the parent, and such will be sent to the appropriate agency as enumerated in this policy. The parent will, by the third notice, also be admonished that any further policy violation in that quarter will result in school personnel requesting the appropriate officials to take custody of the child.
- D. Fourth offense per quarter - Will result in the school requesting the appropriate agency to take custody of the child. The parent will be informed by the appropriate school personnel of any such request, having been made, when it was made, in the manner it was made, and to whom it was made.

**Verification of Student on School Premises  
After 3:45 pm (2:30 pm on Wednesdays)**

Student Name	_____
First Occurrence Date	_____
Second Occurrence Date	_____
Third Occurrence Date	_____
Fourth Occurrence Date	_____

**PARENT-TEACHER CONFERENCES**

Parent-Teacher Conferences are held twice a year. Additional parent-teacher conferences may be arranged as deemed necessary by staff or as requested by parents. Under the Family Educational Rights and Privacy Act (FERPA) we cannot share academic information with anyone other than biological parents or documented legal guardians. While we value and recognize it takes a community to raise a child, we cannot share academic information outside these parameters (including stepparents, grandparents, siblings, aunts, uncles, boyfriends or girlfriends etc.)

**PETS AND LIVE ANIMALS**

Live animals are generally not allowed in school for reasons of health, safety and liability. A parent or guardian must be present when live animals are brought to school. The teacher or principal will determine when animals are brought to school and how long the animals will be in the building. Animals found loose on the playground will be reported to the proper authorities.

**PRIVATE PARTY INVITATIONS**

It is the policy of Northwest Public Schools to allow students while at school to give out invitations to private parties *only if every boy and girl in the class is invited to the party*. The school recognizes that when one student does not receive an invitation and others do, that exclusion can be very hurtful and this situation should be avoided while at school.

**RACIAL AND SEXUAL HARASSMENT POLICY**

All persons associated with the Northwest Public Schools, but not necessarily limited to the board, the administration, faculty, staff, and students, are expected to always conduct themselves so as to provide an atmosphere free from racial and sexual harassment. Any person who engages in racial or sexual harassment while acting as a member of the school community will be in violation of this policy.

### **Racial Harassment**

Racial harassment will not be tolerated. No one will be treated differently on the basis of: race, sex, color, or national origin. Every individual has equal rights in both academics and activities unless there is a legitimate, non-discriminatory reason to limit these rights.

Racial harassment may include but is not limited to:

- Demeaning comments directed at an individual, which are degrading and derogatory to their racial and/or ethnic/cultural group (slurs, jokes, insults or name-calling).
- Written materials which degrade an individual's race and or ethnicity (graffiti, notes, computer bulletin entries, etc.).
- Visual displays of racial and/or ethnic materials which create a hostile intimidating and/or demeaning school environment (racial or ethnic pictures, posters, cartoons and/or written material).
- Incidents involving the defacing and/or damaging of property belonging to an individual that intimidates or harasses the individual due to his or her race and/or ethnicity.
- Threats or physical attacks against an individual due to his/her race and/or ethnic identity.

### **Sexual Harassment**

Sexual harassment will not be tolerated. Sexual harassment is a form of sex discrimination. Both males and females can be victimized. Sexual harassment is illegal and is not condoned. Sexual harassment may include, but not be limited to:

- Deliberate touching of body parts, pinching, attempting to fondle or kiss
- Sexually demeaning comments or verbal comments about body parts and or clothing
- Name calling or spreading rumors regarding sexual activity
- Stares, leers, or unwanted suggestive looks
- "Dirty" jokes or unwanted sexual teasing
- Gestures with the hands on body parts
- Following, cornering, blocking, or standing too close
- Conversations that are too personal
- Graffiti that is sexual in nature
- Howling, catcalls, or whistles
- Pressure for dates or sex
- Verbal threats of violence, sexual contact, or coercion

### **"What should I do if someone sexually or racially harasses me?"**

Any student, parent, and or employee of the Northwest Public School System who believes such a situation exists as defined by this policy should contact a teacher, the principal, or Superintendent. The principal at his or her discretion may attempt to resolve allegations of harassment (racial, sexual or otherwise) informally. All matters involving a sexual harassment grievance will remain confidential to the maximum extent possible. All formal sexual harassment grievances must be filed on forms provided by Northwest School District Policy. Formal complaint forms are available in the school office.

The Board of Education may impose appropriate sanctions against persons who violate the district's sexual harassment policy. These sanctions, in the case of any employee, may include termination. Students guilty of sexual harassment will face disciplinary action which could include suspension or expulsion.

### **RECESS**

We strive to make recess safe and enjoyable for all students. All students (K-5) participate in at least one scheduled daily recess period and sometimes more, depending on their classroom. Therefore, you will want to make sure that your child is dressed appropriately for the ever-changing Nebraska weather conditions. Layering clothing is the best option for cold mornings and hot afternoons. During inclement weather (rain or severe wind chill conditions) students will have indoor recess. Please note that during school hours our playground is not accessible to the public due to the safety and protection of the students. Physical activity and student socialization is an important part of recess. Students are required to participate in recess and will not be excused from participation without a doctor's note verifying the reason. Students may be held from recess due to academic assistance, completion of assignments, or misconduct.

**REPORT CARDS and PROGRESS REPORTS WILL BE ISSUED THROUGHOUT THE YEAR.**

### **POWER GRADE IS ACCESSIBLE ON LINE FOR GRADES - 6th, 7th and 8th**

Student achievement in grades K-8 is communicated to parents through four, nine-week grading periods. Fourth grade through eighth grade student performance is measured by letter grades A, B, C, D, F, and I. The following percentages indicate grade range: (I = Incomplete)

A+ = 98-100	B+ = 91-92	C+ = 83-85	D+ = 75-77	
A = 96-97	B = 88 - 90	C = 81 -82	D = 73-74	F = 0 - 69%
A- = 93-95	B- = 86-87	C- = 78 - 80	D- = 70-72	

Report cards are available through the PowerSchool Portal and the end of each quarter and the conclusion of the year.

### **Standards Based Grading in Kindergarten - 5th grade**

At Northwest Public Schools, learning standards are the standards and indicators approved by the Nebraska State Board of Education. NWPS has moved to using a standards-based report card at the elementary level.

These are rigorous curriculum standards and the goal is for all students to be proficient on all learning standards at each grade level. A standards-based report card gives parents specific information about whether a student has met those standards. NWPS has moved to using a standards-based report card at the elementary level (K-5).

Communicating specifically about each standard rather than combining everything into one symbol helps NWPS communicate clearly about learning with students, parents and our community. Most importantly, there is a worldwide consensus among education experts that standards-based reporting increases the focus on learning.

A standards-based report card...

- Measures a student's achievement in relation to the standards rather than by averaging grades
- Gives more detail and accurate information about a student's academic achievement
- Provides clarity and consistency for reporting achievement on learning standards within NWPS

The marks on the report card are determined by classroom assessments combined with teacher judgement to represent an achievement level at a given point in time.

### **Grade Level Performance Levels**

**E** - Student excels in grade-level skills and concepts. Demonstrates excellence in thinking, complex questioning, an advanced skill development on grade level standards on a consistent basis.

**P** - Student has reached proficiency for that particular standard. Demonstrates sufficient understanding of important concepts, ideas and/or skills.

**D** – Student is developing an understanding; but has yet to demonstrate proficiency of the standard. Demonstrates partial, but limited understanding of important concepts, ideas and/or skills.

**B** – Student is beginning the progress toward proficiency for a standard. Demonstrates an incomplete understanding(partial or not at all); needs significant support and guidance.

*NA - Standard was not assessed that quarter*

### **Research-Based Grading Practices**

**Standards-based reporting follows these grading practices:**

**Grades are consistent.**

- Grades are based on grade-level learning standards.
- Grades are based on quality assessments.

**Grades are accurate.**

- Grades for academic learning standards reflect student achievement only. Behaviors (e.g., effort, participation, adherence to class rules, attendance) are important but graded separately.
- Grades are based only on individual achievement, even if a student is involved with group work.

**Grades are meaningful.**

- Teachers use the most recent achievement data to determine grades.
- Zeroes are not used in place of missing or incomplete work.

**Grades support learning.**

- Formative assessment and practice are used to collect evidence that learning is occurring, not to determine grades.
- Students have multiple opportunities to demonstrate their learning.
- Students should know from the beginning how grades will be determined. The learning targets are clear and there are no surprises on assessments.

**REQUIRED REGULAR CURRICULAR ACTIVITIES**

Students may be required to participate in curriculum related activities and special events. This includes school music programs, band concerts, art shows, science fairs, or individual room programs. Parents are asked to call the school office when their child/children are unable to attend required programs.

**SEARCH AND SEIZURE**

Student lockers, desks and other such property are owned by the school. The school exercises exclusive control over school property. Students should not expect privacy regarding items placed in or on school property because school property is subject to search at any time by school officials. Periodic, random searches of student lockers may be conducted in the discretion of the administration.

The following rules shall apply to the search and the seizure of items in a student's possession or control:

1. School officials may conduct a search if there is a reasonable basis to believe that the search will uncover evidence of a crime or rule violation.
2. Illegal items or other items reasonably determined to be a threat to the safety of others, a threat to educational purposes, or a prohibited nuisance item may be seized by school officials. Any firearm shall be confiscated and delivered to law enforcement as soon as practical.
3. Items which are used to disrupt or interfere with the educational process may be removed from student possession.

(Board Policy #5046, Article 5).

**SCHOOL CLOSINGS**

When weather related circumstances require school to be canceled, start late or dismiss early, announcements will be made through local media outlets and via the Northwest School Alert system. (examples email, text or phone messages)

**SCHOOL HOURS**

School will begin at 8:00 a.m. and be dismissed at 3:15 p.m. on Monday, Tuesday, Thursday and Friday. On Wednesday's, school will be dismissed at 2:00 p.m. Early dismissal will be at 12:00 p.m. (Noon). Early classroom morning events are critical to the student's successful day. Please make sure your child is at school on time.

**SCHOOL VISITATION**

For security reasons, please call ahead of time and use the buzzer system upon arrival to the building.

**SPECIAL DELIVERIES / GIFTS TO STUDENTS**

On occasion, parents, friends or relatives have a gift (i.e., balloons, flowers, stuffed animals, etc.) delivered to a student at school for a birthday or special occasion. Special deliveries and gifts as such will be held in the office and given to students at the end of the school day.

**STUDENT DATING**

Northwest Public Schools provides physically safe and emotionally secure environments for all students and staff. Positive behaviors are encouraged in the educational program and are required of all students and staff. Inappropriate behaviors, including but not limited to, dating violence, will not be tolerated and must be avoided by

all students and staff. Any public displays of affection are prohibited.

Pursuant to Section 79-2,140, the Legislature has defined (a) “dating violence” to mean a pattern of behavior where one person uses threats of, or actually uses, physical, sexual, verbal, or emotional abuse to control his or her dating partner; and (b) “dating partner” to mean any person, regardless of gender, involved in an intimate relationship with another person primarily characterized by the expectation of affectionate involvement whether casual, serious, or long-term. Strategies and practices are implemented to reinforce positive behaviors and to discourage and protect others from inappropriate behaviors.

### **STUDENT FEE POLICY**

Our schools have developed a student fee policy in accordance with Nebraska State Laws. Generally speaking, all students will be asked to continue to provide personal or consumable items for specified classes and activities.

### **STUDENT DISCIPLINE**

Two primary goals of the faculty and administration are to teach students to be responsible citizens and help students experience academic success. Students who make incorrect choices regarding their personal behavior or are lacking in their academic responsibilities will receive negative consequences. The following disciplinary actions may be used:

1. Verbal warning/reprimand.
2. Loss of recess (grades K-5).
3. Loss of privileges (i.e., lunchroom, library, computer lab, bus, playground, assembly programs, field day, field trips, special parties, extracurricular activity eligibility).
4. ### **STUDENT PERMANENT SCHOOL RECORDS**

The following guidelines govern student records:

- Student records are sent directly to a required school electronically per the school request.

### **TOYS AND NON-SCHOOL ITEMS**

Bats, balls, toy guns, knives, trading cards of any kind etc., are not to be brought to school unless the student has permission from their classroom teacher. Once again, if your child doesn't need it for school, don't let them bring it to school. All fidgets will be provided by the school and should not be brought from home (this includes spinners).

## **DISTRICT, STATE AND FEDERAL PROGRAMS**

### **STUDENT FEE POLICY**

The Board of Education of Northwest Public Schools has adopted the following student fees policy in accordance with the Public Elementary and Secondary Student Fee Authorization Act. The District's general policy is to provide for the free instruction in school in accordance with the Nebraska Constitution. This generally means that the District's policy is to provide free instruction for courses which are required by state law or regulation and to provide the staff, facility, equipment, and materials necessary for such instruction, without charge of fee to students.

Northwest Public Schools provides activities, programs, and services to children which extend beyond the minimum level of constitutionally required free instruction. Students and their parents have historically contributed to the District's efforts to provide such activities, programs, and services. Such student and parent contributions have included: students coming to school with the basic clothing and personal supplies to be successful in the classroom (clothing, shoes, pencils, pens, paper, notebooks, calculators, and the like), students bringing their own or paying the reasonable cost of specialized equipment or supplies for the personal preference of personal retained benefit of students (for example, band equipment, locker deposit or rental fees, shop class materials, where the student keeps the product, and college tuition or fees for college credit for advanced placement courses or correspondence courses), students providing their own specialized clothing and equipment to be prepared for the extracurricular activities in which they choose to participate (sporting apparel, including shoes, undergarments, and the like), and assisting with special programs, such as field trips, summer school, school dances and plays. The District's general policy is to continue to encourage and to require, to the extent permitted by law, such student and parent contributions to enhance the educational program provided by the District.

Under the Public Elementary and Secondary Student Fee Authorization Act, the District is required to set forth in policy its guidelines or policies for specific categories of student fees. The District does so by setting forth guidelines and policies; this policy is subject to further interpretation or guidance by administrative or Board regulations, which may be adopted from time to time. Parents, guardians, and students are encouraged to contact their building administration or their teachers or activity coaches and sponsors for further specifics.

### **NORTHWEST PUBLIC SCHOOLS HOT LUNCH PROGRAM**

Northwest Public Schools operates a hot lunch program and participates in the Federal Government's School Hot Lunch Program. Free and reduced priced meals are available through the Federal School Hot Lunch Program. Applicants for free and reduced priced meals are required to list their household income on their application form. Applications for free and reduced priced meals are available in the Central and Superintendent's Offices. Parents whose children have special dietary needs should contact the school.

Students purchase meals through an electronic account. Money is not accepted in the lunch line. Northwest High School does not use lunch tickets. Students are issued individual four digit lunch account numbers. Students from the same family share a single four digit family ID number unless otherwise requested by a parent. Money deposited into family accounts may be made with a single check. All meals or food items purchased through the school cafeteria must be prepaid. (No charging)

Northwest Public Schools lunch program is conducted as an "offer versus serve" program and is approved by the Nebraska Department of Education. "Offer versus serve" requires schools to offer meat, vegetables, fruit, bread and milk with each meal. Students may elect to take five of the items offered or as few as three. Students who elect to take only three or four of the five items offered will be charged the full price of a regular meal.

Prices for school hot lunches are set annually by the Northwest Board of Education in conjunction with Federal & State School Hot Lunch Guidelines.

Lunch money is received in the Superintendent's Office prior to school starting at 8:10 a.m. and or after school until 4:00 P.M. Money deposited after 10:30 A.M. may not be credited to a student's account in time for his or her lunch period. Students must have money in their lunch accounts prior to making purchases in the lunch line. Students are responsible for keeping track of their lunch fund balances. Students should check their lunch account balances daily as they go through the lunch line.

Students are prohibited from using their lunch accounts to purchase food for other students. Parents who question their son's or daughter's lunch account activity or balance may call the school at 385-6398 between 7:45 a.m. and 4:00 p.m. Parents may also access their son's or daughter's lunch account on PowerSchool. Parents are responsible for setting cafeteria purchase guidelines for their son or daughter.

Federal Government Hot Lunch Program regulations prohibit Northwest Public Schools from selling pop, candy, gum, etc. during lunch periods. Students who are not eating lunch are to report to the old gym or cafeteria during their lunch period. Northwest High School is a closed campus. Students may not leave the building during their lunch period.

This explains what to do if you believe you have been treated unfairly. "In accordance with Federal Law and U. S. Department of Agricultural Policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. Individuals who are hearing impaired or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339 or (800) 845-6136 (Spanish). USDA is an equal opportunity provider and employer."

### **ENROLLMENT OPTION**

In 1989, the Nebraska Legislature passed a law that allows parents to choose the school district they want their children to attend. The law was designed to give parents the opportunity to choose the school system which they feel might best meet the educational needs of their children. It is important to remember that option school districts may reject or limit requests for transfers based on school capacity and available programs. Enrollment Option applications forms, etc. are available in the Superintendent's office, online at <[ginorthwest.org](http://ginorthwest.org)> or by calling 385-6394.

### **TITLE IX NON-DISCRIMINATION**

In 1972 Congress outlawed discrimination based on a person's sex. Title IX of the Educational Amendments Act of 1972 applies to students attending schools that receive Federal Funds. Title IX forbids schools from treating students differently based on their gender.

#### **Under Federal Law schools cannot:**

1. Provide separate classes or activities for male and female students.
2. Deny students the right to take a course because of his or her gender. For example, not allowing females to enroll in shop class.
3. Apply different rules regarding physical appearance to male and female students.
4. Make different disciplinary rules or enforce them differently on the basis of gender.
5. Refuse to allow female students to take part in classes or activities because of pregnancy, unless other students with temporary disabilities are so excluded. Students may voluntarily join special program of comparable quality to regular classes.
6. Refuse to excuse absences because of pregnancy or refuse to allow female students to return to the same grade level which they held when they left school.

#### **Title IX Laws allow schools to:**

1. Separate classes for sex education.
2. Separate students by gender within physical education classes for participation in contact sports such as football, basketball and wrestling.
3. Separate students with different levels of ability within physical education classes. (Ability requirements must be the same for both genders).
4. Provide separate teams for genders of contact sports and or any team sport in which students are selected to play on the basis of skill.

### **PARENTAL RIGHT TO INFORMATION**

Schools may release information to non-custodial parents of students. State statute identifies a parent as the person authorized to receive information such as grade reports, transcripts, attendance statistics, disciplinary information, progress reports, and other. A parent is a parent unless his or her status has been terminated by a court order. Non-custodial parents are still parents, unless there are specific restraints within a divorce decree stating that he/she should not have access to their child's school records. Unless otherwise stated in the divorce decree, student records and information are available to both custodial and noncustodial parents. Noncustodial parents may request school information for their children in person or in writing through the Principal's Office.

### **PARENT NOTICE CONCERNING DISCLOSURE OF STUDENT RECRUITING INFORMATION**

However, Northwest High School may disclose appropriately designated “directory information” without written consent, unless you have advised the District to the contrary in accordance with District procedures. If you do not want Northwest High School to disclose directory information from your child’s education records without your prior written consent, you must notify the school’s Central Office in writing by the end of the first week of the first semester, or for new students, within the first week of enrollment. ## **Parent Notice Concerning Staff Qualifications if Student is Taught for Four or More Consecutive Weeks by a Teacher Without Required**

Parents of students in Northwest Public Schools programs funded under the No Child Left Behind Act of 2001, have the right to know the professional qualifications of teachers. #### **C. Right of Parents to Inspect Instructional Materials**

Parents shall have the right to inspect, upon reasonable request, any instructional material used as part of the educational curriculum for their child. Reasonable requests for inspection of instructional materials shall be granted within a reasonable period of time after the request is received. Parents shall not have the right to access academic tests or academic assessments, as such are not within the meaning of the term "instructional materials" for purposes of this policy. The procedures for making and granting a request to inspect instructional materials are as follows: the parent shall make the request, with reasonable specificity, directly to the building principal. The building principal, within five school days, shall consult with the teacher or other education responsible for the curriculum materials. In the event the request can be accommodated, the building principal shall make the materials available for inspection or review by the parent, at such reasonable times and place as will not interfere with the educator's intended use of the materials. In the event there is a question as to the nature of the curriculum materials requested or as to whether the materials are required to be provided, the building principal shall notify the parent of such concern, and assist the parent with forming a request which can reasonably be accommodated. If the parent does not formulate such a request, and continues to desire certain curriculum materials, the parent shall be asked to make their request to the Superintendent.

#### **D. Rights of Parents to be Notified of and to Opt-Out of Certain Physical Examinations or Screenings**

The general policy and practice of the District is to not administer physical examinations or screenings of students which require advance notice or parent opt-out rights under the applicable federal laws, for the reason that the physical examinations or screenings to be conducted by the District will usually fit into one of the following exceptions: (1) hearing, vision, or scoliosis screenings; (2) physical examinations or screenings that are permitted or required by an applicable State law; and (3) surveys administered to students in accordance with the Individuals with Disabilities Education Act. For physical examinations or screenings which do not fit into the applicable exceptions, the District will follow the procedures set forth in the section entitled: "Notification of and Right to Opt-Out of Specific Events."

#### **E. Protection of Student Privacy in Regard to Personal Information Collected from Students**

The general policy and practice of the District is to not engage in the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information. The District will make reasonable arrangements to protect student privacy to the extent possible in the event of any such collection, disclosure, or use of personal information. "Personal information" for purposes of this policy means individually identifiable information about a student including: (1) a student or parent's first and last name, (2) home address, (3) telephone number, and (4) social security number. The term "personal information," for purposes of this policy, does not include information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions. This exception includes

the following examples: (i) college or post secondary education recruitment, or military recruitment; (ii) book clubs, magazines, and programs providing access to low-cost literary products; (iii) curriculum and instructional materials used by elementary schools and secondary schools; (iv) tests and assessments used by elementary schools and secondary schools to provide cognitive, evaluative, diagnostic, clinical, aptitude, or achievement information about student, or to generate other statistically useful data for the purpose of securing such tests and assessments, and the subsequent analysis and public release of the aggregate data from such tests and assessments; (v) the sale by student of products or services to raise funds for school-related or education-related activities; (vi) student recognition programs.

F. Parent Access to Instruments used in the Collection of Personal Information

While the general practice of the District is to not engage in the collection, disclosure, or use of personal information, collected from students for the purpose of marketing or for selling that information, parents shall have the right to inspect, upon reasonable request, any instrument which may be administered or distributed to a student for such purposes. Reasonable requests for inspection shall be granted within a reasonable period of time after the request is received. The procedures for making and granting such a request are as follows: the parent shall make the request, with reasonable specificity, directly to the building principal and shall identify the specific act and the school staff member of program responsible for the collection, disclosure, or use of student personal information from students for the purpose of marketing that information. The building principal, within five school days, shall consult with the school staff member or person responsible for the program which has been reported by the parent to be responsible for the collection, disclosure, or use of personal information is occurring or there is a plan for such to occur, the building principal shall consult with the Superintendent for determination of whether the action shall be allowed to continue. If not, the instrument for the collection of personal information shall not be given to any students. If it is to be allowed, such instrument shall be provided to the requesting parent as soon as such instrument can be reasonably obtained.

G. Annual Parental Notification of Student Privacy Protection Policy

The District shall provide parents with reasonable notice of the adoption or continued use of this policy and other policies related to the student privacy. Such notice shall be given to parents of students enrolled in the District at least annually, at the beginning of the school year, and within a reasonable period of time after any substantive change in such policies.

H. Notification to Parents of Dates of and Right to Opt-Out of Specific Events

The District shall directly notify the parents of the affected children, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when any of the following activities are scheduled, or are expected to be scheduled:

1. The collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information. (Note: the general practice of the District is to not engage in the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information);
2. Surveys of students involving one or more matters deemed to be sensitive in accordance with the law and this policy; and
3. Any non-emergency, invasive physical examination or screening that is required as a condition of attendance; administered by the school and scheduled by the school in advance; and not necessary to protect the immediate health and safety of the student or of other students. (Note: the general practice of the District is to not engage in physical examinations or screenings which require advance notice, for the reason that the physical examinations or screenings to be conducted by the District will usually fit into one of the following exceptions to the advance notice requirement and parent opt-out right: (1) hearing, vision, or scoliosis screenings; (2) physical examinations or screenings that are permitted or required by an applicable State law, and (3) surveys administered to students in accordance with the Individuals with Disabilities Education Act).

Parents shall be offered an opportunity in advance to opt their child out of participation in any of the afore listed activities. In the case of a student of an appropriate age (that is, a student who has reached the age of 18, or a legally emancipated student), the notice and opt-out right shall belong to the student.

Definition of Surveys of Matters Deemed to be Sensitive

Any survey containing one or more of the following matters shall be deemed to be “sensitive” for purposes of this policy:

1. political affiliations or beliefs of the student or the student’s parent;
2. mental or psychological problems of the student or the student’s parent;
3. sex behavior or attitudes;

4. illegal, antisocial, self-incriminating or demeaning behavior;
5. critical appraisals of other individuals with whom the student has close family relationships;
6. legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
7. religious practices, affiliations, or beliefs of the student or the student's parent;
8. income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such programs).

## **HOMELESS STUDENTS POLICY**

### **Homeless Children**

Homeless children for purposes of this Policy generally include children who lack a fixed, regular, and adequate nighttime residence, as further defined by applicable federal and state law.

### **No Stigmatization or Segregation of Homeless Students**

It is the District's policy and practice to ensure that homeless children are not stigmatized or desegregated by the District on the basis of their status as homeless.

### **Homeless Coordinator**

The Superintendent shall serve as the District's designated Homeless Coordinator. The Homeless Coordinator shall serve as the school liaison for homeless children and youth and shall ensure that - (i) homeless children are identified by school personnel; (ii) homeless children enroll in, and have a full and equal opportunity to succeed in, school; (iii) homeless children and their families receive educational service for why they are eligible and referrals to health, dental, and mental health services and other appropriate services; (iv) the parents or guardians of homeless children are informed of the educational and related opportunities available to their children and provided with meaningful opportunities to participate in the education of their children; (v) public notice of the educational rights of homeless children is disseminated where such children receive services under the federal homeless children laws, such as schools, family shelters, and soup kitchens; (vi) enrollment disputes are mediated in accordance with law; and (vii) the parents or guardians of homeless children, and any unaccompanied youth, are fully informed of transportation services available under law. The Homeless Coordinator shall coordinate with State coordinators and community and school personnel responsible for the provision of education and related services to homeless children. The Homeless Coordinator may designate duties hereunder as the Homeless Coordinator determines to be appropriate.

### **Enrollment of and Services to Homeless Children**

A homeless child shall be enrolled in compliance with the law and be provided services comparable to services offered to other students in the school in which the homeless child has been placed.

Placement of a homeless child is determined based on the child's "school of origin" and the "best interests" of the child. The "school of origin" means the school that the child attended when permanently housed or the school in which the child was last enrolled. Placement decisions shall be made according to the District's determination of the child's best interests, and shall be at either (i) the child's school of origin for the duration of the child's homelessness (or, if the child becomes permanently housed during the school year, for the remainder of that school year) or (ii) the school of the attendance area where the child is actually living. To the extent feasible, the placement shall be in the school of origin, except when such is contrary to the wishes of the homeless child's parent or legal guardian. If the placement is not in the school of origin or a school requested by the homeless child's parent or legal guardian, the District shall provide a written explanation of the placement decision and a statement of appeal rights to the parent or guardian. If the homeless child is an unaccompanied youth, the Homeless Coordinator shall assist in the placement decision, consider the views of the unaccompanied youth, and provide the unaccompanied youth with notice of the right to appeal. In the event of an enrollment dispute, the placement shall be at the school in which enrollment is sought, pending resolution of the dispute in accordance with the dispute resolution process. The homeless child shall be immediately enrolled in the school in which the District has determined to place the child, even if the child is unable to produce records normally required for enrollment, such as previous academic records, medical records, proof of residency, or other documentation. The District shall immediately contact the school last attended by the homeless child to obtain relevant academic and other records. If the homeless child needs to obtain immunizations or medical records, the District shall immediately refer the parent or guardian of a homeless child to the Homeless Coordinator, who shall assist in obtaining necessary immunizations or medical records. The District may nonetheless require the parent or guardian of a homeless child to submit contact information.

Transportation will be provided to homeless students, to the extent required by law and comparable to that provided

to students who are not homeless, upon request of the parent or guardian of the homeless child, or by the Homeless Coordinator in the case of an unaccompanied youth, as follows: (i) if the homeless child's school of origin is in the Northwest Public School District, and the homeless child continues to live in the Northwest Public School District, transportation to and from the school or origin shall be provided by the Northwest Public School District; and (ii) if the homeless child lives in a school other than the Northwest Public School District, but continues to attend the Northwest Public School District based on it being the school of origin, the new school and the Northwest Public School District shall agree upon a method to apportion the responsibility and costs for providing the child with transportation to and from the school of origin, and if they are unable to agree, the responsibility and costs for transportation shall be shared equally.

### **PARENTAL INVOLVEMENT IN SCHOOLS**

It is the policy of the Northwest Public Schools to foster and facilitate, to the extent appropriate, parental/guardian information about and involvement in the education of their children.

Northwest Public Schools after having conducted a public hearing concerning parental/guardian involvement and participation, herewith declares that it shall be the policy of Northwest Public Schools to provide full access at reasonable times to the parent/guardian of any student of Northwest Public Schools to review textbooks, tests, curriculum materials, records of student of any such parents/guardian, unless otherwise prohibited by law, and to any surveys of students done by Northwest Public Schools.

- A. Textbooks, tests, and other curriculum materials used in the Northwest Public Schools are, and shall be, available for review by parents/guardians at Northwest Public Schools upon request. Since textbooks, tests, and other curriculum materials constantly change, and may be discarded when no longer needed by Northwest Public Schools, parents/guardians wishing to review such items must govern their requests accordingly.
- B. Parents/guardians wishing to attend and monitor courses, assemblies, counseling sessions, and other instructional activities must obtain prior approval of and from the proper teacher, counselor, and administrator, or they will be asked to leave. Parents/guardians attending or monitoring courses, assemblies, counseling sessions, and other instructional activities with prior approval who, by their conduct or presence interfere with the educational process or constitutes an interference with school purposes, will be asked to leave.
- C. Northwest Public Schools will excuse students from testing, classroom instruction, and other school experiences, upon parental/guardian request, only under circumstances required by law. Parental/guardian requests must be in writing and submitted to the proper teacher and administrator within a reasonable time prior to the testing, classroom instruction, or other school experience, and must be accompanied by written proof, acceptable to Northwest Public Schools that the action is required by law. A plan for an acceptable alternative shall be approved by the proper teacher and administrator prior to, or as a part of, the granting of any parent/guardian request.
- D. Parents/guardians and others will be provided access to records of students according to law (Family Educational Rights & Privacy Act, 20 U.S.C., 1232 G or 79-4, 157, R.R.S.).
- E. Testing shall occur in Northwest Public Schools as determined appropriate from time to time by school district staff to assure proper measurement of educational progress and achievement.
- F. Participation in surveys of students shall occur in Northwest Public Schools.
